### ★ STUDENT LEADERS ★

We congratulated the newly appointed Student Representative Council members and Sports Captains at last week's assembly. We are sure you will all do an amazing job in your roles this year. Thank you to the parents and carers who were able to come and share this special moment with their children.

Our usual Friday assemblies begin this week with Merit Awards and Quality Work presentations at 2.30pm.

Parents will be receiving a School Stream notification each Wednesday advising which students will receive awards at that Friday's assembly.

## ★ PRINCIPAL NEWS ★

Dear Parents and Carers,

### Swimming Success

On Friday 24 February 2017, seven of our students competed at the Far North Coast Swimming Carnival. Everybody displayed excellent sportsmanship and deserve to be congratulated for their performance on the day. Good luck to our Junior Boys Relay Team - Harper, Rio, Ashlen and Sonny, who proceed to the next level of competition at the North Coast Swimming Carnival in Kempsey on 8th March.

### Absences

It is essential that we maintain accurate records of your child's school attendance. All absences must be explained to the school within seven days of their occurrence. If your child has been absent from school for a whole day, please send in a note of explanation to the class teacher or submit an explanation via the School Stream app. If your child arrives late or you need to collect them early, please go to the School Office to collect a partial absence yellow slip.

### Court Orders

Just a reminder to all families that if you have Family Law Court custody orders that may have changed or been newly introduced, please provide a copy to the school.

### Next Week

Look out for the instructions in next week's newsletter on how to book your Parent Teacher Interview online. Interviews will be scheduled for Week 9 (20-24 March).

Kind Regards,

**Our Annual Voluntary Contribution for 2017 has been set at \$45 per child, as per NSW Department of Education & Communities guidelines.**

Voluntary Contributions are requested of all families, to assist with the purchase of educational resources and classroom consumables. This equates to school fees of only \$11.25 per term which is an absolute bargain, however, our classroom budgets really suffer if all parents do not pay. Thank you for your support.

## WIN an iPad Mini!

All children who have **paid their Voluntary Contribution before the end of term** and have no outstanding payments owing to the school (eg Resource Pack) will go into the draw!

**The winner will be drawn at the Week 2 Assembly in Term 2 - Friday 5 May.**

## Vale Auntie Bertha

It is with sadness that we acknowledge the passing of Bundjalung Elder, Auntie Bertha Kapeen. Auntie Bertha was a tireless worker in the early days of establishing the NSW AECG, encouraging Aboriginal people to have a voice in Aboriginal education, sharing her cultural knowledge and wisdom - with the Department of Education and other providers as well as with hundreds of students over many years so that each listener had a better understanding of Aboriginal people and our culture.

## 2017 International Competitions & Assessments for Schools

Students in Years 2-6 are encouraged to participate in the annual ICAS academic competitions run by the University of NSW. Every student receives an individual diagnostic report as well as a UNSW certificate acknowledging participation and celebrating achievement. Testing takes place at school under the supervision of a teacher.

Students have received a note and entry form for these competitions. In order for your child to take part, please return it to school with the relevant payment by the end of Week 10 Term 1 (Friday 31 March).

## Thank You – Market Stall & Parking

A big thank-you to Carmen Finch for co-ordinating the market parking and Cath Rogers, Bronwyn Watt and Margo Simpson for co-ordinating the raffle ticket sales and cake stall on Sunday at the Bangalow Market. Also thanks to volunteers: Mel Wilson, Hannah Crawthorne, Trina Higgins, Teena Hulbert, Celia Chew and Leesa Campbell and to those who baked. This was a very successful fundraising effort for the P&C with over \$2,500 raised.

Thanks to the Bangalow Market for providing this opportunity.

## Bowlo Meat Tray Raffles

A belated thank you to Gavin Burton for raising \$350 for the P&C's January Bowlo raffle.

**Our next raffle is Friday 10 March.** Come down for dinner and buy a ticket from Gav.

This is a great opportunity for the school community to socialise, show our support to the Bowlo and raise funds for the P&C (and hopefully win a meat tray!).

## ★ P&C NEWS ★

### BANGALOW P&C - JOIN THE GANG in 2017!

What exactly is this mysterious P&C and do I need to be part of it? The short answer is YES! We need you! Bangalow's P&C is a really welcoming group of parents and carers who want the best for our kids. The P&C does vital work but it really needs new parents and carers on board every year to help share the load. This will allow the group to get the best possible resource outcomes for our kids.

### What is the P&C and what does it do?

Basically, the P&C is a voluntary group of parents and carers who work to raise money and provide extra resources for our school. As you know public schools have at times limited resources, so monies raised will go directly to providing great programs and purchasing essential resources like computers and sports equipment. The P&C operates within a structure and has elected positions including a President, Vice President, Treasurer as well as sub-committees. All are welcome!

### Why should I join? What's in it for me?

You'll know what's going on around the school and get an opportunity to meet great people. You'll have input into the programs and resources that the P&C funds. Your involvement is both a win-win for our children and the school.

### How much does it cost?

For just \$2 a year, (just less than ½ a cup of coffee) you can be part of the group that makes vital decisions about where monies raised is spent to benefit our kids.

### What is the time commitment?

It can be as much or as little as you're able to put in. The P&C meets once monthly at the school and the meetings usually take place on a Wednesday from 7:00pm – 9:00pm. We understand that meetings can be hard to get to during the week - you don't have to be at every meeting, every time. If you're a P&C member but can't make the meetings you can still contribute ideas via email.

### How do I sign up?

It's simple, just fill out the form in the newsletter and drop off your \$2 membership at the office. That's it!

### When's the next meeting?

Glad you asked. **The P&C AGM is on Wednesday 15 March** and if you join before then you'll be able to come along, vote for new office bearers and learn what we get up to.

Crazy Raffle Prizes!

In order for your child to travel to school by bus for free, your child must firstly be eligible for free school travel and secondly if eligible, your child must then be registered with Transport for NSW School Student Transport Scheme (SSTS).

Please see the information below on how to apply for free school travel which outlines the criteria for eligibility and who needs to apply. The application is completed online and the steps to follow are clearly outlined in the brochure. There is also a phone number to call (131 500) if you have no internet access or need assistance in completing the application.

If your child is eligible according to the eligibility criteria but is not registered with Transport for NSW by Friday 24 March 2017, your child will be required to pay a fare to travel to and from school or will be refused travel on the bus.

Our school bus operators are:

Bulzomi Bus Lines	0400 585 331
Byron & Beyond	0447 807 150
Bissett Bus Lines	0422 135 770
Blanch's Bus Co.	6686 2144

## What's new

From 12 May 2016, applications for free school travel in rural and regional NSW will need to be completed online instead of using paper forms.

This change makes it easier to apply, as you only need to complete one form that covers all situations, including journeys that involve multiple transport operators.

It's also easier for schools and bus operators, as Transport for NSW will now handle the applications.

This change only affects the application process; no changes to any public transport services are planned.

## Who can apply

To be eligible for free school travel, students may need to live a minimum distance from their school:

### Years K-2 (Infants)

There's no minimum distance.

### Years 3-6 (Primary)

1.6km straight line distance or 2.3km walking.

### Years 7-12 (Secondary)

2.0km straight line distance or 2.9km walking.

## Who needs to apply

A new application is only required if the student has never been approved for free school travel before.

However, you need to update student details online if the student:

- Is moving from Year 2 to Year 3
- Is moving from Year 6 to Year 7
- Is changing schools or campuses
- Is changing address

## How to update your details

If the student has already been approved for school travel and their address, school or name changes, or the student is entering Years 3 or 7, you will need to update your details at [apps.transport.nsw.gov.au/ssts/updatedetails](https://apps.transport.nsw.gov.au/ssts/updatedetails).

## How to apply for free travel for the first time

Applications for 2017 open from the start of Term 4, 2016.

### Step 1

Once you have confirmed your 2017 school enrolment, complete the online application form at [transportnsw.info/school-students](https://transportnsw.info/school-students), nominating your home address and which bus company or transport operator the student needs to travel between home and school.

### Step 2

Print, sign and date the completed application, then return it to the student's school for endorsement.

### Step 3

The school then sends the endorsed application to Transport for NSW. You will receive an email confirming the outcome of your application. If the application is approved, Transport for NSW will inform your local bus or transport operator who may send a school travel pass (where applicable) to the student's school, or in some cases will contact you directly about travel arrangements.

A parent or guardian must apply for students 15 years and under. Students 16 years and over must apply for themselves.

## Frequently asked questions

### Can I still apply using a paper form?

Carbon copy forms are no longer being accepted after Term 2, 2016. To download a paper form visit [apps.transport.nsw.gov.au/ssts](https://apps.transport.nsw.gov.au/ssts).

### How can I apply if I don't have internet access?

Call **131 500** for assistance with your application.

### Does the approved free travel include travel outside school hours?

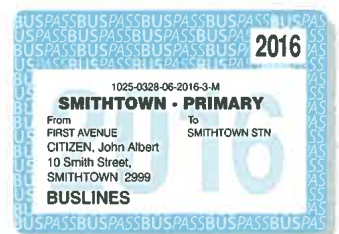

Approved free school travel is only for travel to and from school. So for travel after hours, on weekends or during school holidays, students will need to purchase a ticket.

### What if there's no public transport in my area?

In areas where there is no public transport, eligible NSW residents may receive a subsidy for transporting the student to school by private vehicle. For details visit [transportnsw.info/school-students](https://transportnsw.info/school-students).

### How do I apply if the student is in a shared parenting situation and needs to travel from two addresses?

Each parent (or the student if aged 16 or over) needs to make a separate application for each address. The same eligibility criteria apply.

*Please see the school office if you require a paper copy of this brochure*

## CASTING CALL

### TOOLS

This series aims to explore some of the different ways we use tools in our daily life. With the focus on activities that children can do independently, our aim is to personalise the activities. For example; learning how to fix your own bike and planting a herb garden for the family.

The shoot dates will be Wednesday 8<sup>th</sup>, Thursday 9<sup>th</sup> and Friday 10<sup>th</sup> of March.

It will take approximately 4 hours and most probably be filmed in your home and close by.

There will be two children in each segment aged 5-7 years, so family and friends can send in a submission as a team if they wish.

If you think your child may be interested in taking part please forward me...

1. A short video of your child chatting to camera. They could introduce themselves and tell me a bit about their favourite activity that involves tools (of any kind). This doesn't have to be good quality it is purely to gauge how they might be in front of the camera. If you have a smart phone or iphone then just use that. NB: please make sure the file is small or alternatively send a link to a Dropbox.

2. Their name and age and your contact details.

3. Please send it to either the email address below or my mobile number.

If you have any questions please feel free to give me a call on the below number.

Thank you
